My heart is broken losing my life long friend. So many good memories, but a funny one I will never forget. I've never been a fan of breakfast food and can eat anything for breakfast. When Pam would spend the night at my house I would open a can of chili and heat it and that's what we would have for breakfast. When Pam went home Polly would ask her if she had anything good for breakfast. Pams answer, NO, we had CHILI!!! We've laughed about it ever since. I'm sure going to miss her. I'm so sorry for your loss. Pams whole family and mine go a long way back. Love to all.
