“ I remember when I first met Pam was in Mr Lowerys Algebra class in 9 th grade She was so sweet and she knew more about algebra than I did for sure. She would always try to help Me in class but I just didn't get it ! Why would I ever need to know this stuff. Her hair was always so pretty and straight and soft spoken. Me always was hard of hearing but she never tried to ignore me or sit somewhere else always spoke no matter who was around! What a wonderful person, mother, grandmother, in law and when she met Mike she found lifelong partner 46 years ! Wow. She will certainly be missed and my heart goes out to her wonderful family and all her friends ! We will all see her again one day but that's not helping her loved ones pain. But her pain is no longer ! She was a wonderful person and I feel privileged to have known her Prayers for all the many loved ones She'll see you on the other side so try to find time in your sorrow to rejoice in that ! Heaven got another one of the earthly angels
