“ *Bob and family,
Our deepest sympathy to you and your family. Please know we are praying for you and are with you in spirit as you go through these troubling times. I know Pat is laughing and dancing with mom and they are probably sharing funny stories about all of us.
So sorry to hear of your loss.

“ *Kenneth, my thoughts and prayers for comfort and strength have been said for you and your wife's family. Perhaps all should celebrate her lovely life but right now all weep. That is God's way.
Most fondly, Terri*

“ *Bob, Lon, Connie & family.
Regret unable to be at visitation & funeral. Mary Lou talked so many times of the fun times she & Pat had growing up together--also, the troubles they got into. Pat was her favorite cousin. Both of them are really not gone--their spirits live forever with us. I will remember Pat and all of you in my prayers. My love & sympathy to all of you.

“ Dear Bob,

I am so sorry for your loss.

I have a lot of memories of both of you from my childhood. I always considered you and Pat to be very good and decent people, and I am extremely sorry that I will not be at the funeral.

I know that the coming weeks will be very difficult for you and that no words here are good enough to help you. I wish you and your family all the best during these trying times.

*Respectfully,
-Matt Shoaf*

“ Granny, you have no idea what you meant to so many people. Many came out to pay their respects. We are trying to take good care of Big for you. You looked so peaceful like the weight of your struggles had been lifted. I know you are catching up with your parents and others who went before you. I am comforted knowing I will see you again some day. I love you so much and will miss you. Missi

“ Dear Bob, Connie, Sonny, Lisa, Lon and families,

It is with a heavy heart that I write to you and say goodbye to my sweet "Pat". She was my mom's favorite cousin and at some times, I felt that she was just like her sister. I have wonderful memories as a child of family gatherings and she was always kind and sweet to us and yet always full of laughter and smiles.

Unfortunately, our last visit was with our mother's passing but thanks to you and your family for bringing her up to see mom, she made our goodbyes to our mother unforgettable and yet so soothing. The love and support that she and Bob have always given mom and dad will never be forgotten. Connie and Kenny thank you so much for all you have done for our family. I will never forget a trip home to Missouri and staying the night with the Canimores. I always felt so welcome and so close to you. It breaks my heart I can't be there to say goodbye but she will always hold a special place in my heart and I know that mom welcomed her with open arms into heaven. They are probably listening to oldies and drinking a fountain coke as we speak!

I will never forget what a wonderful loving, hardworking, great American woman Mrs. Bob (Pat) Canimore was to have always been there for our mother and our family.

Sincerely with love,

Lu Ann
