“ She was a precious lady. I was her nurse. All she talked about was her husband and her grandbabies. Also every Christmas she talked about how much loved going shopping with her sister at Branson. We both loved Christmas Hallmark movies. I loved her dearly ❤️

“ It was my honor to help care for this beautiful soul! She wasn't just my patient, she had become my friend! I really enjoyed our weekly visits! Regardless of how she felt she always had a smile!!
