“ Gone yet not forgotten,
although we are apart,
your spirit lives within me,
forever in my heart.
Until we meet again, may God
Hold you in the palm of his hand.

Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near,
Still loved, still missed and very dear.

In God's care you rest above, in our hearts you rest with love,
Memories of you are ours to keep,
Our words are few
but our love is deep.

ME

“ I just want to say goodbye to my friend Pat. You were like a mother to me and more or less anyone who met you. It didn't matter if they were ignorant like me or rude or just a pain in the ass. She loved without hesitation. If I were ever asked who was someone who touched me with the simplest acts of kindness it would be her. A friend, a mother figure. A smile at all times. Even though your gone it doesn't feel like it. It feels like the whole world is in mourning going a little slower than the norm. Truth is.. I miss you. There is not a hole where you used to be in my heart because you'll never truly gone. You're right here with me as I type this. I can only imagine your smile and love. Rest in the sweetest peace.???

“ I am very sorry to hear about your mother, though I am very glad her suffering has ended. She was always so sweet to me; always had a sense of humor. I sincerely wish you and the rest of the family my condolences. May the Lord be with you all during this difficult time.
