“ I have been thinking of her a lot and just seen obituary. I am saddened for her family. Pat is missed. I was her home health caregiver and was even looked like her family she always said. She confided in me many times. I even sat down and prayed and cried with her. I send many prayers still to the family for their continued healing. Pat is remembered in my heart and missed. Sorry for your loss.

“ So sorry to hear this. Had no idea Pat was living so close by. Have not saw her since school but thought of her so many times. We had loads of fun in high school. I can remember we double dated . we both liked guys from Pangburn that were friends. Wow so many years a go.I can remember the song Hey Jude came out and we loved to sing it together. Memories to always cherish with her as my friend. Prayers for her family. R.I.P. Patsy Daughtery Roach..
