“ I was so thrilled to hear from Pat a few weeks ago. It was so wonderful to talk to her right after her Birthday and she sounded so good. Such a shock to learn that she was gone so quickly. I have such fond memories of her visits with Mom and Dad, the family reunions, and the funny memories that they would share. I will miss her. My condolences to the family. So sorry for your loss. I know the tremendous sorrow of losing your Mother. I am sorry I was not there for you.

“ *My favorite was like a mom to me so much of my life. Spent lot summers in okc with her. She taught me to cook and I have a cake plate she gave me when I was 13 told me on special occasions to make cake on it and I have. She was a fighter and she fought hard but God knew she needed rest and what a reunion there. Makes me homesick!!!*
