“ Dear Mrs. Steube, I was surprised and deeply saddened to hear of Paul's passing. I regret that we had did not have another conversation about the arts, bio-diesel, planes, or politics, but I'm glad to have known Paul. Please accept our deepest sympathies to all of the family. Prayers, John and Jane Sibley.

“ I am so sorry for your loss -- I remember Paul from first grade at Main Street Elementary School where we were in Miss Happy Wilder's class. The class play was "The Three Bears" where I was Mama Bear and Paul was Baby Bear. My mother and dad lived on the corner of Marshall and Chamberlain behind your house and I would often see Paul in the yard. I have fond memories of him and shall always remember him.

“ *To The Steube Family,*

Paul and I were friends for some 48 years, when he was single and lived with his parents on the corner of Watkins and Edmunds St. We lived next door in a small frame house. I remember his grandparents also. All were very good people and well liked. Thoughts and Prayers are with you and may God give peace and comfort.
