“ *Susie, Patty, and Linda, I was so sorry to hear about your Mom. Pauline was such a lovely person. She was such a good friend to my Mom when Mom needed a friend the most. When I think of her, I see her smiling. She was always smiling and always had kind words and a warm, welcoming heart. My thoughts and prayers are with you all. Charlotte*

“ *Dear Patti and Family,
I am so sorry to hear of Pauline's passing. I didn't realize that she was sick. I have many memories of her and all of you at ya'll house in Bradford. I saw Pauline about 2 years ago and we caught up on each others lives. She made me laugh that day and I remember thinking how much that I missed seeing her from day to day in our town. May God Bless each of you and may He fill the void that her passing will leave.*

“ *Hello Pauline's Family. I really hated to hear about this happening to a good friend such as Pauline was. We had many good times and I cannot remember her ever without a smile on her face. I will truly miss this wonderful person. I live in Oklahoma now and probably won't make it to the funeral, but know that my thoughts and prayers are with you all and I will never forget this wonderful friend.*
Sincerely, Bunny Ringer
