“ I am so sorry to hear about Ms. Pearlemae. I have such fond memories of her when Glen and I would buy flowers from her green houses. I remember Glen gave her our doberman because he dug up all the flowers we had planted when we lived on Rocky Point Road. I was so upset about it so Glen gave me \$100 to give to her so I could get the dog back. I was crying my eyes out when I drove up there. She cried with me and hugged my neck and told me to go get the dog and take him home. Of course, she wouldn't accept any money. Good folks like Ms. Pearlemae will be missed.
