“ Peggy was a great inspiration to all who knew her. We spent 22 years working side by side and shared many memories together. She was a great friend and I loved her dearly. Till we meet again, I'll be missing you!

“ I am so sorry for your loss. Peggy was my angel on this earth many years ago and now she has gained her heavenly wings. Peggy adopted me and my two kids 25 years ago. She was one of kind and the word lost an amazing woman! Peggy forever has a special place in my heart.

“ My thoughts and prayers go out to you at this time. I promise you, Ms Peggy, will never be forgotten. She was surely one of a kind. The mold was broken after she was made. There will never be another one like her. She had a big bark, but a tiny bite, we all loved her. To know her, was to love her. She will be missed by all .
