“ Sorry to hear of Lou's passing. Enjoyed bowling with her in Searcy way back when. She always was smiling and enjoying the moment. I am sure that family and friends have lost a special woman.

“ Thinking of all of you, wishing we could be there for the services. One of my fondest memories was having Lou ride down the river during our reunion in my canoe at her last reunion. I also fondly remember years ago when my family visited Detroit. We went fishing and I had not caught anything, it was time to leave and when I reeled in my line I caught a nice whitefish. Lou kept telling me how great whitefish were to eat. So I wanted to stay and eat dinner, but my dad had to go so I was extremely upset. Had a small meltdown, that was probably 50 years ago and I still remember Lou telling me what a good tasting fish that was and dad making us leave to go home. Love all of you and thinking about your loss with a very heavy heart.

“ *I have many great memories of family reunions with Aunt Lou when I was a child. I will always remember her smile and infectious laugh. Staying up all night playing cards in the mess hall or being the first on the field for Bocce ball. I am grateful to have known her. She will be dearly missed, but not forgotten. Sending my love to you all -
Laura Jean and family*
