Peggy was as sweet and kind as anyone I ever knew. She was always the same personable woman. Peggy made me feel special every time I came in contact with her. This world has lost a beautiful soul.

“ We knew Peggy for over 24 years.. We had the pleasure to get to know her from afar and a visit to our home many years ago,, She took pride in her family and always spoke of all her grand kids and daughters and hubby.I remember her visit with us.. she shared he great recipes of her southern fried chicken, homemade biscuits,, scrambled eggs and bacon all cooked in her cast-iron skillet and her homemade corn bread., She sent me a cookbook in 2000, of all southern style recipes. We knew from our connection and common bond that we were family. We will cherish the memories as family from out of state. Rest in peace Peggy, look over our Josh.
