“ we lost a mother , grandmother, sister,and a friend. Peggy was a very straight forward person and said what she thought. She loved her grandkids with all her heart and more. Peggy held on and fought hard for many years. She pushed to get thru every day but did it with a smile. We are not ready for good bye. Peggy would not want tears of sadness.Rather tears of happiness. Happiness that she is no longer having to struggle everyday. She smiles down on each and every one of us. She may not be here in person, but Peggy will forever go on in our hearts and her memory will forever be with us. Peggy you left years to early from this crazy world. Not a second goes by that i wish we had another day with you. As the days pass we miss you even more. I know your in a way better place then this crazy world. I didn't get many years with you, but I know that you loved me and I hope you know that I loved you. I will forever miss you. I refuse to say goodbye. So I will leave it I'll see you again one day.
