“ *Pretty Please was purchased for the family of Perry Keith Strain Sr..*

“ *Oh how I love this man. My deepest sympathies are with Kenny and all the kids. This world was a much better place with Perry in it. He helped and touched so many lives. I'm thankful for all my memories, and so glad to have been in his life. I am assured that he is with the Lord, and Miss Jean, Julie and Keith. That brings me comfort. If I can do anything for the family, please let me know. I love you all, and y'all are in my prayers.*
