“ My prayers will be with the family. Phillip was one of the best this world had to offer. Him and my brother were the best of friends during their teen years growing up in Turbeville and Phillip was so thoughtful and caring even as a teenager and he grew in that way as he went on to become an adult, a husband, a father and grandfather.

“ Phillip was one of my classmates. “The class of 84.” We worked at Burlington together and he did always have a smile on his face to greet you. He was very passionate for Fire, EMS and he was our first aid person at Burlington. He was just an overall good caring man and friend. I’ve known him and his brother Ricky most of my life and my heart goes out to the family. He will be greatly missed by many and was loved by his family, friends and the community he served. May God comfort and strengthen the family during this time. You all are in my thoughts and prayers.
