“ I went to school with Philip, and I'm so sorry to hear of his passing. He always seemed like a good kid while we were in school. Even though we were not close, it just makes me sad to think that he is gone....my heart goes out to his family....

“ I can not leave any memory here but what I can say is that my brother was a good man... He was a good husband and and an awesome father! He loved his son more then anything I have ever seen... I want him to be remember for what he is or was not what people say. He was amazing he had a voice and was never afraid to use it. He was not perfect but who is oh yea God! He will forever live in my heart he taught me many things growing up and had more balls then anybody I have ever known! love you philip...
