“ So very sad to hear about the passing of this beautiful lady! The lives she touched personally and professionally is beyond expression in words. She made an impact on my son as his first teacher which impacted him his entire life and ours still. May God continue to bless your family! With deepest sympathy, the McGary's.

“ My Dear Friend Phyllis had such beautiful smile and contagious laugh and just the right words to make you feel good. I loved it when she and her sister, Faye would come into the store. It was like sunshine on a cloudy day. She had a heart of gold and I will miss her. Deepest Sympathy, Myrtle Hughes

“ Family members and I have known Phyllis since high school. My brother and I went to school with her. She and I were in the same grade together. Other family members worked with her at school. We had mutual connections over the years and would often be at events together. Phyllis was always the same. We had many laughs together and shared similar losses. Her love for her family, friends, students, and life was always present. Phyllis was a person with deep dedication and devotion in all aspects of her life. Our deepest sympathy to her family and all who mourn her loss. Stephenson, Guthrie, Mobley, and Miller family.

“ Phyllis was a great forever friend!! I love her like a sister. Her memory will last forever like the sound of her laugh. I know God brought us together in the teaching field. He again brought us together in retirement as traveling partners. Ohhhh, the fun times we had and the memories we made.
Steven and Faye and the rest of the family,
I know you have mountains of memories and laughs to treasure.
Know you'll always remember that smile and that laugh!!!
