“ I am so broken hearted over the loss of my dear sweet Phyllis. She was like a sister to me and I'm gonna miss her so much. She always was such a happy person and never met a stranger. She stood out in a crowd and sometimes even drew a crowd. Like when she rode the mechanical bull and ended up thrown off and black and blue. She represented a big part of my growing up and what an experience! She was the life of the party and I dearly loved her so much. She will be missed terribly. She is finally back where she wants to be, back with my brother Timmy. The only place she ever wanted to be.
