“ *So sorry to hear of Mr. Quinton's passing. The things I remember: he was always so nice to me, even when he'd pick at me, always waved when I drove by and him driving his green Jeep.*

“ *"Buck" so sorry for your loss. I really enjoyed knowing both of your parents. Quinton was very nice to talk with when he would visit Bunge when I was working with you. I miss seeing and talking to you "Buck". Even those smelly cigars. Give your daughter my regards also as I do not ever remember meeting her. (Dorothy of OZ) B. Schenk and Glenn*

He was a wonderful friend and distant cousin of mine. I visited him every time I went to nursing home. Sat on porch with him some when he was home. We reminisced the Nibco days.
