“ No matter what the circumstance, Granddaddy would always be there for me. Every other weekend we would always stay at his house and he would pretty much make it our home as well. The hardest part is going from seeing him everyday to none at all. There are no words to explain how great of a man he was. Whatever anybody wanted, he would always be there within the blink of an eye. I'm so thankful for the time I was able to spend with him and the close relationship we made. I would have loved for him to have gotten more time to watch Aiden and Riley grow, but the time he was able to is good enough for me. You will forever be in my heart and I will keep my memories of you as close to my heart as possible. I love you, Granddaddy!
