“*Shea and the Siler family, You have been in my thoughts and prayers through these days. Yesterday and today, the service at church, the many family and friends who are there sharing this time with you, may you be comforted by God's recorded Word that is read. I am sure the service has been honoring to God and a sweet memorial to Randy.*

“*I have fond memories of Randy as a child when I was at the family home. Being the younger brother, when big sister had company, he was always being fun loving.*

*Our prayers are with you all as you lay him to rest and for the trying days to come. Love to you all. Mike and Kay Price*

“*Randy was one of the best guys I have worked with. When it came to what we did between Integrated Airlines/UPS, we both clicked. We both wanted to have the job performance run smoothly. I was just a regular worker compared to his status in the company; however, he gave me so much respect knowing that a lot of the operation would not run without who I was as a person. He would tell me "We need you tomorrow." That was important to me. Heck, he is also the only guy to share a counter with me getting Taco Bueno. Peace be upon him, his soul, and the family during this time.*

“ Shearon and I will always remember Randy with love. He had such great excitement whether he was shooting fireworks at home or singing in the church. His voice was so beautiful when he sang at Bonnie and Doyne’s anniversary party at the church fellowship hall a few years ago. He’s safe with his beloved family now. God bless forever
