“Lori, Betty, and family, I am so sorry for your loss. Randy was one of the sweetest people I had the privilege of knowing. I know it's tough, but just try to keep your heads up and remember the good times. His body may be gone but his spirit will always be with you. Just remember he's in a better place and he can watch over and protect you better now than he could before. You all have a very special guardian angel now. My thoughts and prayers are with you all and may God offer you comfort and peace. Love you all
