“ *Ray told my son and me about when he met Jean. They were very young and when he first laid eyes on her, he told his buddies that he was going to mary that girl. This happened in eastern Arkansas. A very neat story. He also took very good care of Jeans dogs after she died. He was kinda ornery and I liked him. He shared a lot of his business dealings with me and I learned a lot. I will miss seeing him. Sympathy for all of y'all.*
