“ You were on my mind today, remembering our fun times together. I haven't seen you in 30 years, but it seems like yesterday. Your laughter was infectious and you brightened every corner of the room. Rest in peace Rebecca.

“ *My mom was one of a kind. Her willingness to help anyone was amazing. She taught me many things but one of the most important lessons I learned was unconditional love. She'll be missed so very much. RIL mom*
