“ My sincere condolences to the entire Sample family at this time. I met Becky only a few months ago and she came to visit with her husband Bill to my home and from the very 1st visit, I knew that I had already found a place in my heart for my new found friend Becky. She enjoyed our visits and knew that they meant just as much to her as they did me. My only complaint I had was that she was taken from me way too soon! But Becky, you'll always have a very special place in my heart for the rest of my life and pray that you are now singing with the angels. God has you in his arms now, but I still have you in my heart my friend. May you RIP Becky 🙏❤️ Always remembered but never forgotten. Until we meet again on those streets made if god

“ I have so many wonderful memories with Becky. She was amazing friend and co worker. Some of her favorite times was the holidays she loved Halloween decorations and loved decorating the store for Christmas.

She was one of the sweetest person and so friendliest person I've ever known. She will definitely be missed by everyone who had the privilege of knowing her. My thoughts and prayers for her family during this difficult time.

Becky was a very outgoing, and very thoughtful. It was a few years ago when she came to a cousins reunion in Indiana that we reconnected and kept in touch by social media. She loved her family very much. Becky will be missed very much. May God send his loving comfort and strength and peace to each one. ♡♡
