“ *I went to school with Regina and she was one of my first friends I ever made and continued to be one. We would talk occasionally through Facebook. She was a very sweet person and had an infectious laugh. I am so sorry to hear of her passing and all of her family is in my prayers. She loved her family and her grandchildren especially. I can't be ther for visitation as I planned due to flooding in my area and threat of flooding our business. Please know your family will be in my continued prayers.*
