“ *I'm so sorry for your family's loss. Sorry I wasn't able to be at the funeral. What I remember most about Aunt Ebbie. (Yes I gave her that name) was her telling about me spending the night with them and turning sideways in the bed. Aunt Kackie (yes that name was my fault too. Apparently my feet ended up toward Aunt Ebbie and she got kicked all night. I heard that .many times and never got tired of it. I will miss her. very much. My prayers are with you all.*

“ Donna, I'm so sorry about your Mom, she will be greatly missed. I will never forget, she would always make me a sugar-free butter pie when I would come over, I thought it was so good, but she would make everyone eat it. She said if Debbie can eat it, y'all can too, I did feel worry for y'all, ha. You and your family will be in my prayers

“ Absolutely, loved visiting Aunt Reva Nell's home growing up. She always made homemade yummy food, especially biscuits and pies. She had a great sense of humor and was always kind-hearted. She is with Uncle Donald, Uncle Charles, Aunt Virginia and Uncle Bud. So look forward to seeing ALL again in Heaven!!! Jennifer Deen Platt
