“ I met Reva and Neal through my work with the White County Single Parent Scholarship Fund, Inc. They were a wonderful couple and I will always remember them fondly. Neal was a tireless worker for WCSPSF, Inc. He and Reva both cared deeply for others.

“ One of the sweetest kindest ladies you will ever meet. I watched her go up & down the basketball court many times and would mark down her points as she scored as I kept score for Rose Bud. Watched her in the SMS beauty contest, entering the free throw contest & win many awards during those tournaments. What great memories of those days. Only a grade ahead of me in school we have been friends for a long time. She will be missed by many as she always had that loving smile on her face. The last time I saw her was none other that at a ballgame at Rose Bud, a happy place for her. Prayers for the family with love.

“ It made my heart sad to see this obituary for Reva. She did my hair for several years and even after she closed the shop she still cut it and we visited. I had the pleasure of presenting an award to her from the Bald Knob Rotary Club several years ago and we would sit together at the Single Parent Scholarship Awards. When she cut my hair a few weeks back she told me things were not good. She was one of the sweetest people I have known. May she Rest in Peace.

“ Debbie, Cendie, Lynn and Brad,

We are so sorry and so sad at the passing of Reva. We truly loved her and she suffered so much these two and a half years. We are thankful that the Lord took here quickly once she started failing so badly. We will be thinking of you and praying for you as you go through this grieving period.

God bless you all.
