“ My memories of Mrs. Reva are the times she enjoyed the most, playing golf with the ladies and then bridge at my moms house when I was young. The golfing days we would all mix up teams and have a blast. Of course I was too young to play bridge with the ladies but I would always watch. Mrs. Reva always had a wonderful smile on her face. She was a very special lady and we know God has her now. May peace be with you in this difficult time.
