“ We lived at Timbercrest RV park in Hot Springs just 4 -5 trailers down from Rex and Gerald. He loved the races and was an excellent handicapper. He was always the same, day in and day out, easy going and a very nice person. We Horse racers will miss him very much. And we are sorry for passing.

“ To Rex's family: As one of his horse racing buddies, Rex was a great friend and never had a bad thing to say about anyone. Here is a message that I like to send to the family.
A Blessing for the Sorrowful
May the Lord bless your sorrow and wash your eyes with tears until you can see clearly that invisible land where tears shall come no more. Amen

“ Over the past 6 to 7 years, I have come to rely on Rex so many times at the track. He took me to the side and explained so much to me about horse racing. We have split so many tickets together over the years, some good, some just awful. He was always so glad to help all of us. Even in the off-season we would stay in contact once a month just to check on each other. Im 32 years old, and i can say that knowing Rex(Rex-a-million) meant the world to me. A sad day for all of his "horse racing buddies".
