“ When my older cousin Pete, let us all know him and Renee got married, it was a blessing, we all deer hunted together, always great times, but she was family, she was the one who would pick the phone up, when you needed her and answered... she had a contagious smile, and would help anyone both would... she accepted our family as her own, as we did her.... Prayers for the days to come for Pete, Brooke, Silver, and all the family.. cause she was loved by many and she was nothing but a blessing to ours... I know she is now watching over, all her loved ones, as she did when she was here.... Prayers for the family
