“ *I am so sorry to hear about the passing of Mr. Gray. He was a great  
man and a great teacher. He was loved and respected by all of the  
students in Kensett. Even though we were a bunch of knuckleheads  
in shop, I never remember him becoming angry at any of us. He  
was always willing to help us with our projects. He will be missed.*

“ *Judy! you and your family are in my prayers, Everyone always say "I know what you are going through", when really they don't unless they have been there and done that. There will be a lot of first time everything in the next year. But, if you keep God in your plan, he will see you through all the trials, he will carry you and he will love you always. I'm so sorry for you loss it was way to early for Larry, but God has a plan and we all are in it. Love you and yours.*

“ To Judy and children, and sisters of Larry Gray: I'm very sorry to read of Larry's death. I have known since early 70's in our Rocky Point days of the worth and love of the Gray family. As evidenced by other friends and loved ones who have left words about him and the family, the love and respect for you all is unblemished. Larry was the great man I imagined, a gentle giant if you will, kind and soft-spoken with a Christ-like spirit about him. When I read what others had written I was so proud to say I knew this great man and his family. God bless you Judy. Our lord will never leave you in these dark hours.
