“ *I was very fortunate to have had rick as a neighbor, we soon became friends and more so like a brother from a different mother! Dedicated to the lord, and such a strong work ethic is what always was impressed upon me. He loved his family deeply and was always quick with a whitty comment that always brought his smile to life. I will miss my friend but we did have alot of great memories that I can think upon. See you soon my friend, rest easy with the lord and your mother.*
