“ I'm not sure how i express how I loved Ricky! I am Pam's cousin but always felt close to Ricky as well. He was a good one to tell your thoughts. I'm happy he and Pam married and he joined our family. I've never felt like he wasn't a part of our family. Especially since I got the privilege of being their flower in their wedding. There will never be another Ricky. I'm happy you are no longer hurting! RIP

“ Ricky was a great guy. He would do anything for anyone including a young kid that needed a boost to get his adult life started. He gave me a job and helped me navigate the real world. I am forever grateful for all he did for me.

Graduated with Ricky in 1968 in Co way and have never lost contact. To Pam, the daughters and his siblings, please know that Donna and Alan grieve with you and hold you close in our prayers. Ricky was as fine of a man as we have known. I remember how active he was in supporting mutual friends who were in need of help. He always found a way of attending class functions and was a huge Razorback and Wampus Cat fan. I'm so glad he was able to attend our 55th Class reunion earlier this summer. RIP our dear friend RPR.

“ I can't say enough how much my family loves his family. We have so many memories we've made over the years. They never hesitated to love our children as their own. Memories funny and not. We love with our whole heart, rest in eternal peace dear friend (Uncle Ricky)
