“ Ricky (Squid) and my family go back a long, long time because of baseball and other athletic events. Ricky was always a very enthusiastic person especially when participating and coaching American Legion and Pony League Baseball here in Searcy. He was a little older than my sons, but we knew the Stegall family well. Gil and our boys played together in football and running track. Squid was an example to Gil and he tried to beat his times all the time. God bless the family.
