“ Words can not express how sorry I am for your loss. I have known Joey since 6th grade and I am quite possibly sure he teased me from the very first day we met. It wasn't but just a few weeks ago that I talked to Joey and he had no complaints and said he was doing great. When I think of him I will always remember him with that mischievous smile like he knew something I didn't. He will truly be missed. Melissa (Clark) Robertson
