“ I remember Bobby being a good-looking "bad boy", and watching him play pool at the local video store; as much as I tried, he never looked at me the same way. RIP Bobby

I'm sorry for the loss of Bobby. He sounds like he was very talented and gifted in arts. Praying for the family asking God to give you strenght during this difficult time. Peace knowing that he is not suffering anymore. Giving the family laughter even when tears are pouring down your face. remember the good times hold onto them tightly. Family it's ok to cry. Love you Kathy
