“ *John and Terri*

I just heard about Bryan and I am so sorry. Time we spent together while he was here in Tulsa was great,my children love him.

I wish we would of stayed in contact after he went back home. Mark Determin and I talked about going down to see him,and I hate that we never made it.

I am so sorry for your loss and he will be missed. He adored my kids and was such a big kid himself.

Give my best to Matt and Adam.

“ Morrison Family,

Brian and I became friends in 1988 when we were in college. I went to Harding University and worked at Nautilus. Brian and I worked-out together during the summers and whenever he came home from Fayetteville. Brian is one of the funniest people I have ever met; I've not laughed harder around anyone more than I did with Brian. When I deployed to the middle east during the first gulf war Brian wrote and made me laugh there as well. I will miss him greatly, and am very sorry for your loss. May God bless you.

“ I was one of Bryan's teachers at Middle School in Searcy. I remember Bryan as a very handsome young man, but, more importantly, I remember Bryan as a very nice young man with many friends and many people who cared about him and still care about him.
I will be praying for your family as you learn to live without him.
May God give you comfort during this difficult time.
