“ Our deepest sympathy and sadness goes out to you and your family. We go way back with Floyd and Lue Ella. Keith your mom was John's first grade school teacher. And we still go to church with your dad. We are hurting for your lost. The Shelby Family has always had a special place in our hearts. May God help you through this difficult time of need. We are praying for you and your family.

“ To Linda, Keith and Family: I can't tell you how sorry I was to hear yesterday about Robby. I didn't get to know Robby as a grown-up young man, so I guess I will always remember him as the adorable little boy across the street, but no matter how we remember him, your loss is unimaginable. Words are not adequate to express our sympathy. May God give you the strength to bear this sorrow and grant you peace in the days to come. Our thoughts and prayers are with you. “ My dear friends from the 1980's, at Fredericktown, MO. Prayers, thoughts and memories flow as I reflect on the times spent with you all. Robbie was young when you returned to Searcy but I still recall that handsome face and smile. I saw Lauren a few years back and she was sharing her sisterly love of Robbie playing football. May the Lord comfort your hearts with His love and fill you with memories of the years spent with Robbie. Love ya all. Linda "Tripp"
