“ I will always hold dear the family memories of growing up together in Clover, Virginia. Through the years, as we each grew up, moved away, and went our separate ways, it has been nice to get snippets from time to time into what is going on in each others lives. I will miss wondering what motorcycle trip Margaret and Roger are up to next. It was that motorcycle trip that he and Margaret did from Virginia to Nova Scotia that amazed me and Rogers bicycle trip across the country in his late middle age that was astounding.

During this unspeakably sad time, my thoughts and prayers are with Margaret, Suzanne, and Rosemary.

“ I will always have fond memories of Roger and want to give my deepest respects to his wife and family. Roger was one of the toughest bicyclists I ever knew and showed us younger guys that you do not have to stop doing something you love just because you are a little older. He was an inspiration to many people in many ways and will not be forgotten.

“ To Margaret, Suzanne, Joe, and family:

Much sympathy for your loss. I will always remember Roger from the bike and motorcycle-riding days. He will be missed by many; cherish the memories.
