“ *Lois and family, we were deeply sadden to read about Ron's death. But smiled just thinking about the many Ruritan meetings and community projects he participated in (mainly the bluebird houses he built for the DeWitt City Park). What memories we'll reminisce about when we go to the park. God bless you and comfort you during this time and days ahead is my prayer.*

“ *I am sorry to hear about your loss. Mr. Fowler married my husband and I in 2001. I also will never forget all of the hard work he put in at the DeWitt City Park. I used to walk at the park in DeWitt and it seemed as if he was always there. He will be missed by everyone who knew him.*

You may not remember me but I fondly remember you and Ron when I lived in DeWitt. I visited with him many times at the park . I always admired him for all the hard work he did there. If you are ever in Heber Springs lois give me a call.
