“ I am truly sorry to hear about Ron. I grew up on La Veta Lane with
Ron and knew him most of my life. We continued that friendship
throughout the years and while we did not always keep in touch, I
thought of him often and the fun times we had together.

“ Always sad to hear about an old neighbor passing away--especially
so young. One memory stands out was Ronnie dancing the twist
and everyone watching him and wanting him to keep dancing.
Condolances and peace to all his loved ones, especially Pete and
Jackie.

“ I bowled as a threesome with Ron and Marty Cherry on the HSD2 Bowling League. Although I never had the pleasure of teaching with him, I loved his sense of humor, his kindness, and gentle way of being. He will be missed.

“ I met Ron in 1955 when our family moved across the street from Morton School. Ron was friends with everyone throughout our school years. Ron and I formed a life long friendship when we worked together at the Texaco station on the corner of 29th and Morris. During that time I stood up at Ron and Candy's wedding. I shared my birthday with their daughter. Ron "moved my cheese" when he told me he had retired during our 30th class reunion. I guess he knew better than me that life is short. Ron will be truly missed by all at the 2015 reunion, but no one more than me.
