“ Ronnie was my horse trainer, horse shoer, mentor, but most of all my good friend. He was the “best of the best” in my estimation and was well respected throughout the American Quarter Horse industry.

We all can take comfort and peace in knowing that Ronnie now sees Jesus face-to-face!

Amen & Hallelujah!

“ Ronnie Fisher gone. Hard for me to believe. From my childhood until this day he was one of the greats. We shared our love for horses and he was my trainer for years. My first big win in AQHA came from his training me and the horse. A kind soft sole and if he was your friend or customer you were that forever. R.I.P. my dear friend and remember you were my hero. autumn conley
