“ Rosa was truly a delight to work with. She came to work giving it 100% everyday even when she became ill. I can still hear her singing or humming as she sewed. She loved what she did and it always showed in her work. I loved talking with her and listening to her stories of her home. She was loved by many and will be missed by all. May God Bless the family as you go through this time. But be comforted in knowing how much she was thought of and loved
