“ *To Roses' girls you have my deepest condolences. I share some of the same DNA as you girls and your mother. Family is the one thing you can count on all of your lives. Because you're part Baker you will have a gigantic pool from which to draw. I knew your mom to be a very sweet person that had boundless pride in her children.*

“ *To the Family of Mrs Rose Edwards, we send our condolences during such a time of great loss. Weeping may endure for a night but joy comes in the morning. God needed his Angel back, her time here on earth has ended but now you can rest in the sweet assurance that she is pain free, worry free, and now has a forever joy and peace that cannot be surpassed. She is free to rest! So allow yourself time to heal knowing that she is in a Better Place and is at Peace.*
I love you all so much!

“ I just heard of the death of my cousin a few days ago! Emma my aunt, may God bless her heart, during this time of loss for our family!

I always had fond memories of my cousin, since I met her years ago in California. What I remember most about Rose is her smile and sense of humor. She reminded me of our Grandfather, PaPa, with her mild smile and way about herself. In this regard, she also took after her mother Emma.

My prayers are with our family during this time of grief. One day, as the Bible tells us, the dead will rise into a Paradise Earth where death will no longer exist and the prospect of endless life lay before us! Rose knew about such hope!

If this gets to my Aunt Emma, Auntie I love you and may you be bless!

Love,

Cousin to Rose, and Nephew to Emma Arnold.

“ I grew up with Rose as my second mom. I know how much she loved her kids and how proud she was of all of you. It's hard here without her but she is at peace and will always be watching over you. She was a kind person willing to help others if she could. She will be missed and my prayers to the family.

“ To the family of our beloved Sister Roe Annette Edwards, we offer our prayers to the Lord God and condolences to you for her glorious life. May you find comfort in knowing that God is sovereign: our God is in the heaven; he has done whatsoever he pleases. Cast thy burdens on the Lord and he shall sustain thee: and shall never suffer thy foot to be moved. He has given us a garment of praise for the spirit of heaviness. So say "thank you".
