“ God always brings people into our lives for a reason. Mr. Roy was one of those for me. Several years ago, he extended his love and kindness to me when I needed it. Since that time he has done the same for my mother as well. A person's wealth is measured by the lives they touch. With that being said, he had to be one of the wealthiest. Those are characteristics he has passed on to Beth and Andy with Mrs. Georgie as the back bone of the family. Shaina, you are more like him than you realize. Never doubt what a fine young woman you are and I know you will live to make him proud. You are all loved and he will be greatly missed. Sincerely with Love, Dana Kay

“ Georgie:

I shall always remember Roy Dale. The first time I met him, I knew I was going to like him as a new found cousin. His smile and personality stood out and he made me feel right at home. I'm sorry that I didn't get to know him sooner. The few times we saw each other at Charles and Lawanda Durham's home in Judsonia were enjoyable short visits. I felt as I had known him for several years. I'm glad God allowed us the opportunity to get to know each other as cousins.

Please know that you and the family are in my prayers.

May God grant you comfort and love at this time.

“ So sorry to hear about Roy Dale. He's one of a kind and had more heart and soul about him that very few people have. Many, many people as well as me and my family will never forget him. He touched and helped an endless number of folks. Just know that you're in my prayers and heaven just gained one GOOD man. Love y'all and holler if there's anything we can do to help.

“ We were very saddened to hear about the death of Roy Dale. We had a good visit with him when we were in Bald Knob in January. Roy Dale always had a smile and upbeat attitude about everything, he loved people, was interested in their lives and seemed genuinely glad to stop whatever he was doing and have a chat. Heaven is a little sweeter now. We are praying for you as you learn to live without Roy Dale.
