“ Anna,
I was saddened when Cathy called me today and told me about RD's passing. I have many fond memories of times spent in your home with Teresa when we were teenagers. RD was always so kind and you both were very patient with two giggly teen girls. Thanks for those memories. I will be lifting up you and your family in my prayers. I know RD will be greatly missed, but we have a great compassionate God who will be with you all through this sad time.
