“ *Dear Parks Family:*
I was saddened to learn of Jessee's passing. I was with the Department of Social Services during Jessee's tenure with the Group Home. By chance he and I served in Viet Nam in the same location during roughly the same time and we believe we celebrated Thanksgiving in the field together.
He was so much more than a cook at the group home. He provided such a positive role model for the kids, he was always willing to go out of his way to help our department and he was fun to be around. I missed him when he left Prince William. He left a legacy of service and compassion and I am glad to have had the opportunity to have been a part of the work he accomplished. While he is gone, a part of him will be with all of us up here in Prince William County and we extend our condolences to his family and friends.
Rest in peace Jessee.

“ To the Parks Family; May I express my sincere condolences to your family at this time of sorrow. I had the pleasure of working with "Roy" at the Department Of Corrections, D.C for a number of years. I always found him to be a pleasureable person during many adverse times. Always with his"country candor" he would express situations could be worse. After his retirement, I met him at Potomac Hospital during a visit there, we exchanged pleasantrys. He then informed me of his decision of relocating. We gave eachother an embrace, then wish GOD'S speed in life. May I say he's in GOD's hands now. Rest in Peace Roy.

“ Dear Sylvia,
My thoughts are with you and I will continue to lift you and the boys in prayer as you struggle to learn to live in a world which will never be the same. To know that Jess is at peace in a place where there is no pain does provide comfort, but I know there will be some darkness in the days to come, so I will ask for God's loving mercy to surround you as I thank Him for Jess' life and for the role he played inn mine.

“ My thoughts and prayers are with you all. I know that going through this is a hard thing but knowing that there is finally peace and no more pain helps in some way. Jess will always be remembered for the funny things he use to do at Granny's house. He always had a way of making us kids laugh. Wish I could be there to give a hug to you all. Love to you all and remember I'm a phone call away.
