“ I very sorry about Kenny's passing. We will all miss Kenny. We all love, Kenny. I didn't find out about this until recently. It is truly a tragedy, we lost a good friend, a wonderful person, and an excellent uncle. The family are in all of our family's prayer's.

Love,

“ Kenny was a sweet person. I am sorry about his passing. He will be missed but I know that he is in heaven with Frank and Doug. All of them will not be forgotten. The family is in my prayers.

“ So sorry to hear kennys passing. He will truly be missed. We will celebrate his life for his suffering is done. He took the hand of Jesus and now walks with him, daddy, and papa. I will keep the family in my prayers.
